**The Creative Ring is
a pan European network of local creative ecosystems,
i.e. formal and informal innovative communities
of creative entrepreneurs, innovators and other stakeholders,
with the ambition to enrich and revitalize our cities.**

creative communities

**Share best practices for building vibrant creative ecosystems
generating economical as well as societal impact**

Build bridges between creative communities to connect creativity with research, innovation and experimentation

**Develop novel approaches & use new technologies
to address urban challenges**

A man with light brown hair, wearing a blue t-shirt and a dark blazer, is speaking on a stage. He is gesturing with his hands. In the background, there is a large, stylized graphic that says 'RUPT' in white letters on a dark background. Below this, the word 'FRANCISCO' is partially visible. A semi-transparent teal banner is overlaid across the middle of the image, containing the text 'Incubate & accelerate Creative Entrepreneurs'.

Incubate & accelerate Creative Entrepreneurs

A person wearing a blue checkered shirt is shown from the chest down to the hands. A small, rectangular, orange electronic device is attached to the front of the shirt. Two white wires extend from the device, one to each of the person's palms. On each palm, there is a circular sensor with a blue and white striped pattern. The background is dark with vertical blue light streaks.

Deploy technology to enable co-creation & experimentation

CreatiFI, a FIWARE accelerator

Creative
Ring

A person wearing a helmet and a light-colored jacket is riding a bicycle away from the camera on a city street at night. The back of their jacket features a glowing red 'STOP' sign. The scene is illuminated by streetlights, and a yellow fire hydrant is visible in the foreground on the right. A white circular line frames the person and the text 'Creative Ring'.
