

TAMPERE

Making the Internet of Things work for cities and citizens

Anna-Kaisa Ikonen
Mayor of Tampere
Connected Smart Cities Conference 2017
Bryssel 12.1.2017

Six Finnish cities join forces to become better and smarter

6Aika

The Six City Strategy has three focus area: open innovation platforms, open data and interfaces, and open participation and customership.

on weather, GI etc.

Outdoor Lights as an IoT Platform

Smart Mobility in Tampere

The application interface includes a sidebar with navigation links like 'Esa Ostring', 'Kirjaudu sis', 'HAKU', 'KÄRITÄSTÄT', 'VALITUT TASOT', 'KÄRITÄSLITTEET', 'KÄRITÄJÄKAIU', 'TEEMA-KÄÄTÄT', 'ANALYSIS (BETA)', 'REITTIHAKU', 'KÄYTTÖÖNJOSET', 'OMAT TIEDOT', and a search bar. The main area shows a map of Tampere with a green highlighted route. A callout box provides details for two segments: 'Liikenteen sulkuväylät Tampereella' (e.g., Nimi: Paasikiventie (ranta) lännest, Kuvaus: Läkki on sujuvaa, Päivitetty: 28.11.2014 16:25:01) and 'Pirkkamäen keli-kammat (LUV)' (e.g., Kelikamera: CO452400, Kameran nimi: Tie 12 Tampere, Paasikiven, Kameran suunta: Kuva päävitetti: 28.11.2014 16:22:00).

Thank you!
