Inspire Policy Making with Territorial Evidence

# Driving the digital transition of public services

Laurent Frideres Head of Unit for Evidence and Outreach ESPON EGTC

Connected Smart Cities Conference 2018 11 January 2018 Brussels, Belgium

# The digital transition is reshaping public services

Territorial and Urban Aspects of Digital Transition, 2017 Origin of data: ESPON, 2017 (@) UMS RIATE for administrative boundaries Improving services and increasing uptake

91% city services have improved ✓ as a result of digitalisation

**39%** of cities saw a

substantial **7** increase in uptake of specific services as a result of digitalisation

**68%** use the data gathered from the

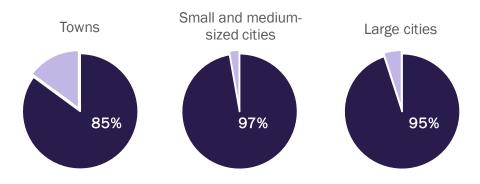

use of digitalised service to improve services or in decision making processes

Impact of digitalisation

1 in 3 cities has seen a substantial > reduction in operating costs as a result of digitalisation

The digitalisation of services has resulted in a reduction of staffing for **3 in 5 cities** 

## **Improved services**

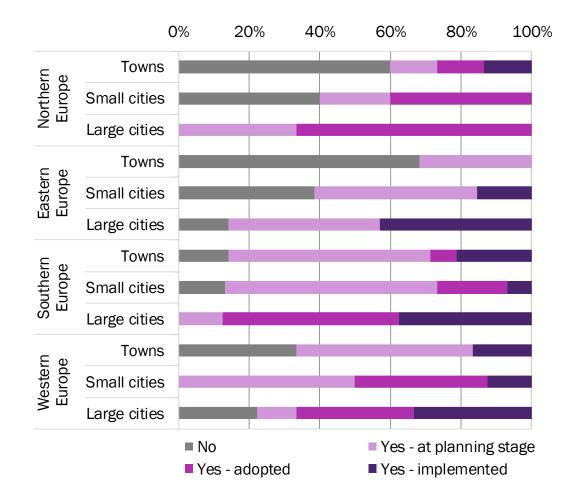

## and increased uptake of specific services as a result of digitalisation

Large cities

No

■ Yes - marginally ■ Yes - substantially

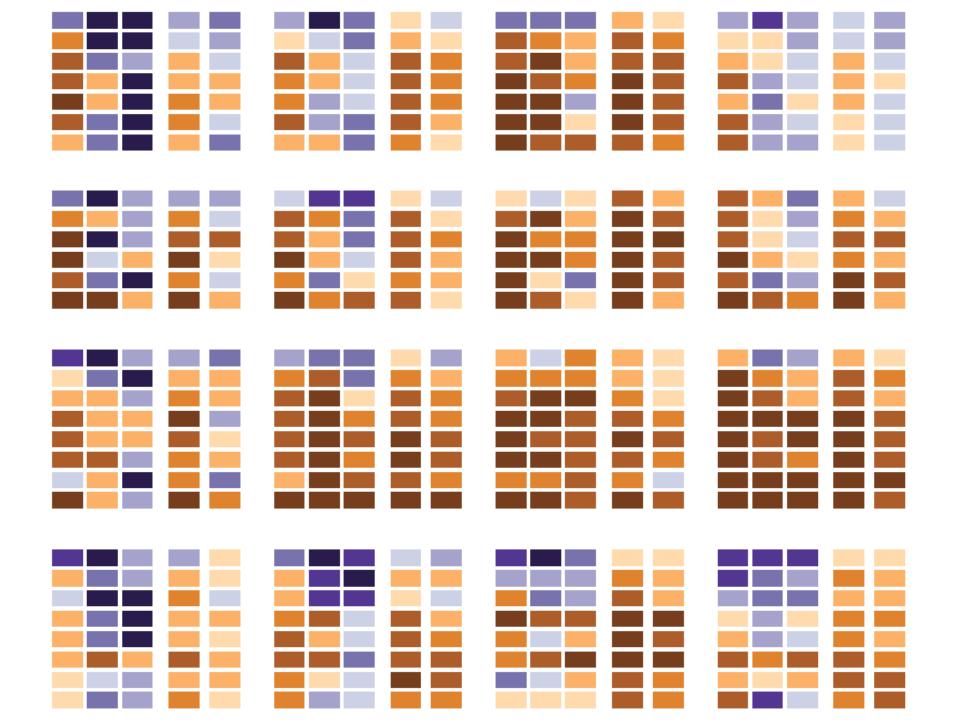

# The implementation of city digital strategies needs to be accelerated

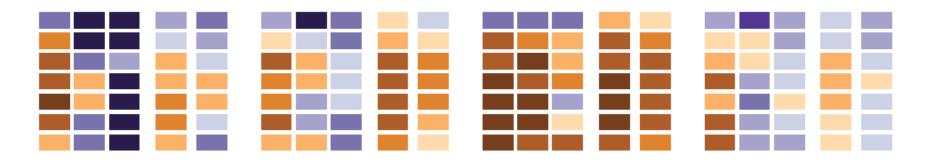

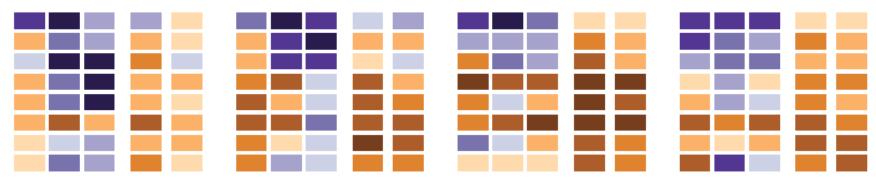

## Map the digitalisation of services in your city (and beyond)

Share of service digitalisation								
0 - 10%	50 - 60%							
10 - 20%	60 - 70%							
20 - 30%	70 - 80%							
30 - 40%	80 - 90%							
40 - 50%	90 - 100%							

#### Urban and territorial dimensions of digitalisation of public services

Share of services that are digitalised at the levels of towns (T), small and medium sized cities (S) and large cities (L); at regional level (R) and/or at national level (N)

## Prioritise services to be digitalised at city-level

## **Identify your barriers**

## **Deliver digital services (locally?)**

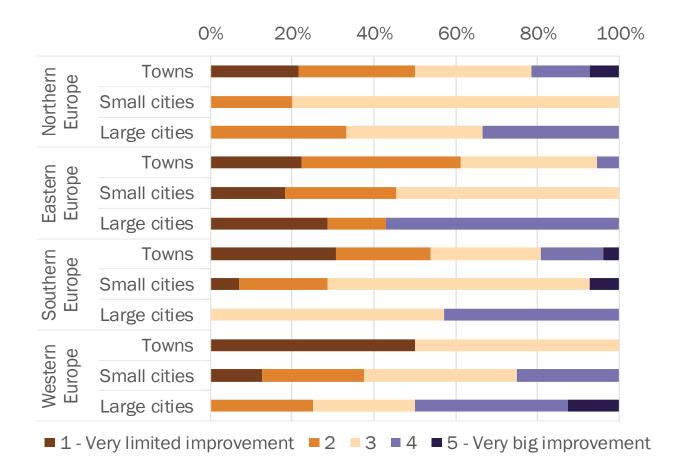

# 3

## Develop partnerships and get inspired

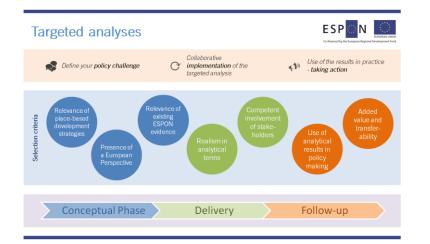

# **Engage in networks and PPPs to improve city digital services**

15 ESPON // Driving the digital transition of public services

# Get inspired by evidence from ESPON

Working with over 80 public organisations from all over Europe to deliver tailor-made evidence

Submission of proposals: cut-off on 26 January 2018 and in June 2018

6 peer-learning workshops in 2018

#### **Current policy challenges include**

Digital Health in the EU

Potentials of big data in European growth corridors

Cross-border public services

Impact assessment of cross-border cooperation

Migration flows

Metropolitan governance

Territorial cooperation

Strategies for sustainable development

Co-financed by the European Regional Development Fund

Inspire Policy Making with Territorial Evidence
