

Power of Procurement: Take-aways and next steps

- Create alternatives to major dominant players of today, including opening up to SMEs.
- Clear policy strategy to push investments and defined goals.
- Bring demand-side together, priorities (engage the networks).
- Ensure relevant events and fora to follow-up.
- How can the European dimension in Innovation Procurement in IoT help and how should it be implemented?
- What could be next steps (building on e.g. Large-Scale Pilots).
- Upcoming consultations in June: Digital Europe, Horizon Europe.
- Roadmap survey: [NGIoT.eu](https://www.ngiot.eu)
- Slides and video from today: [oascities.org](https://www.oascities.org)

An abstract graphic on a black background featuring several colorful, rounded geometric shapes. There are three elongated, rounded rectangular bars with gradients: one in the top right (orange to red), one in the bottom left (blue to purple), and one in the bottom right (blue to green). A teal ring is positioned in the upper right, and a purple ring is at the intersection of the bottom two bars.

IoTWeek

Cross-domain convergence

Incl. 2-day track + Public Expo

June 17-21, Aarhus, Denmark
