

Support cities journey towards climate neutrality through the Cities Mission platform

Speakers: Andrea Gabaldón (CARTIF) + Koldo Urrutia (Tecnalia)

NetZeroCities key activities

- 🔗 **Mission platform** – organise and make accessible to all cities available tools, resources, expertise, capabilities to reach the Climate Neutral and Smart Cities Mission:

“Create 100 climate neutral-cities in 2030 by and for the citizens”

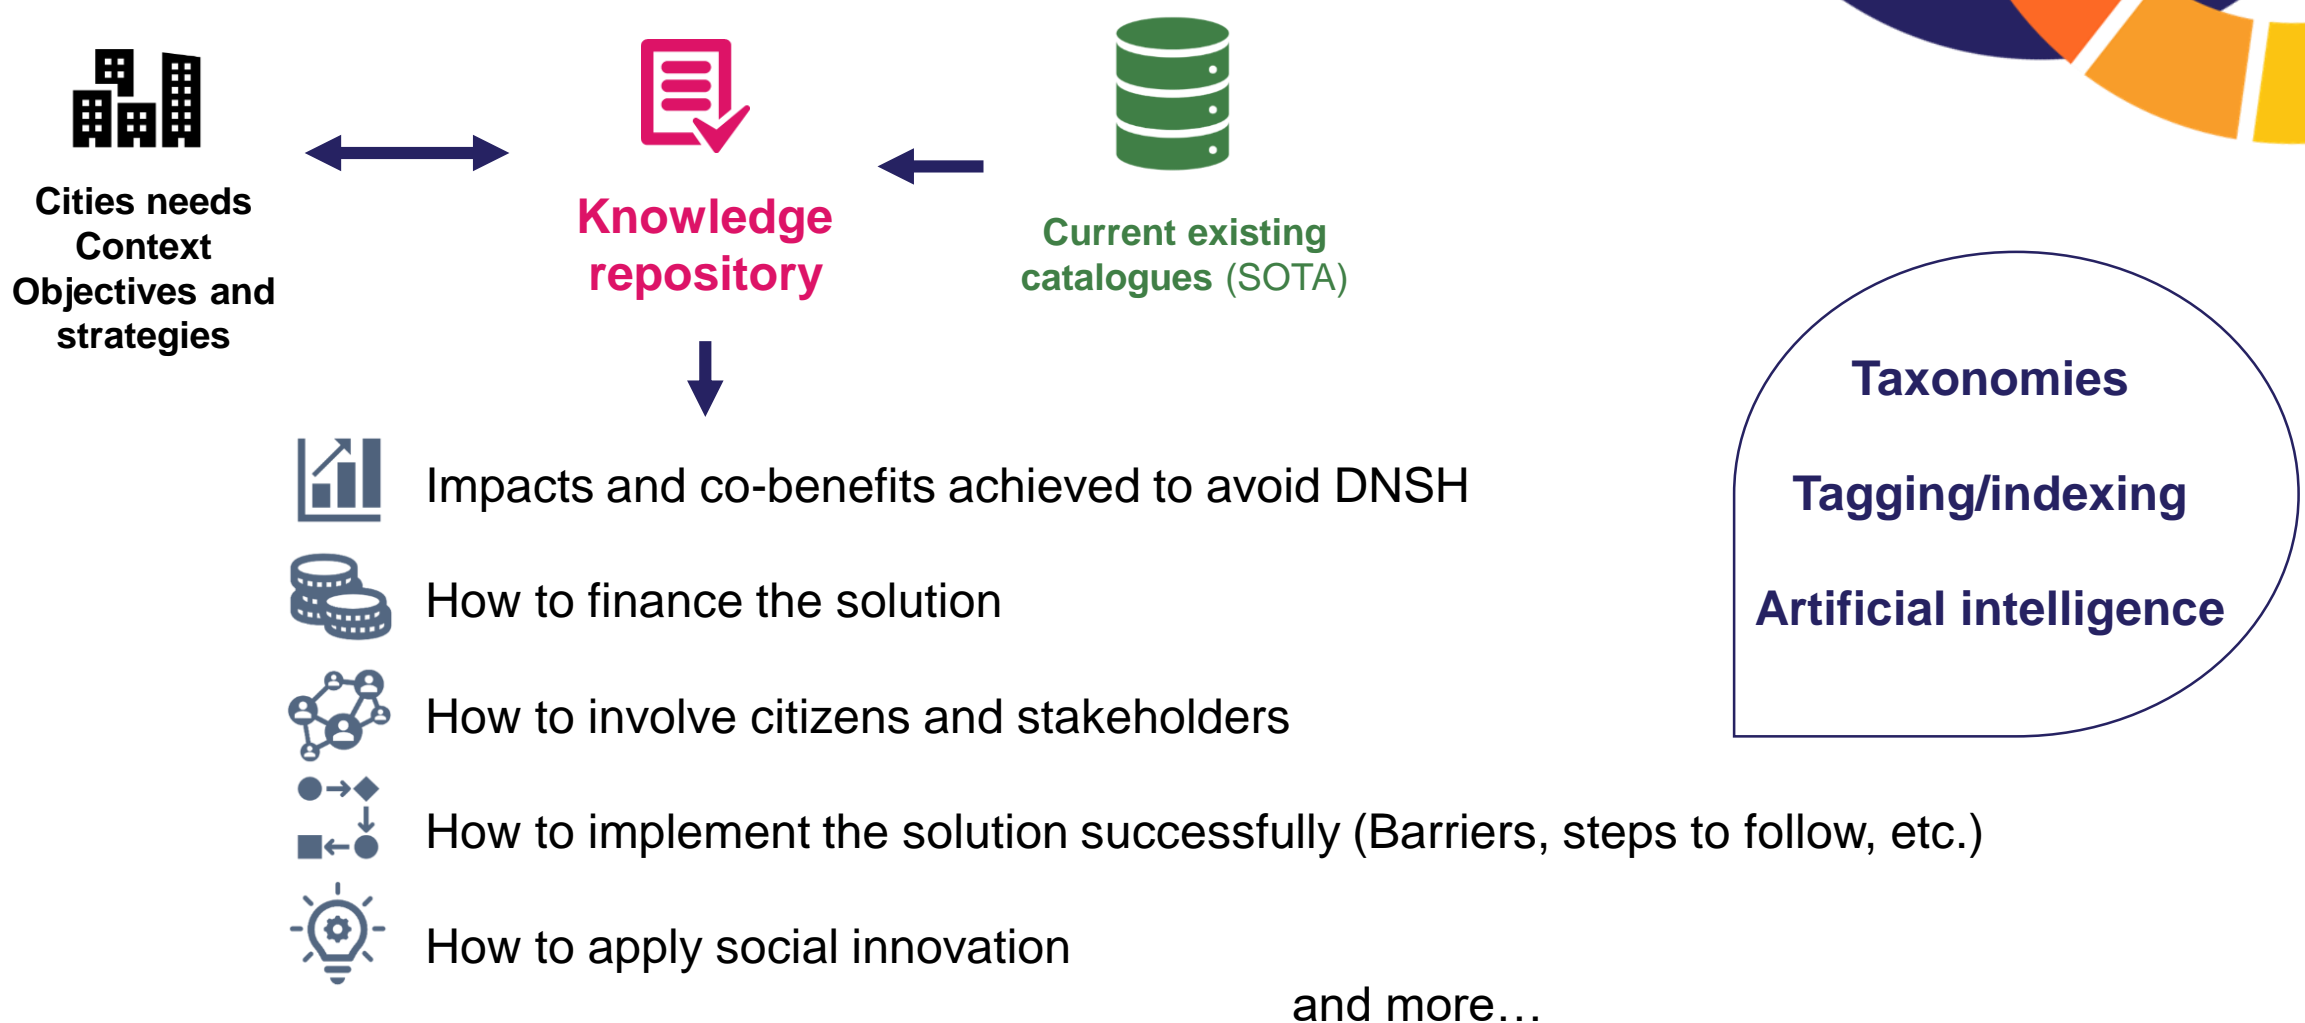

The mission platform to be fully operational Sept 2022

- 🔗 **Climate-neutral city contracts** (25-30 cities to be selected)
- 🔗 **Large scale pilots** – up to 30 cities to receive substantial funding for innovation-focused projects
- 🔗 And more...

Digital role in the platform

Human support

Climate neutrality is not an easy task...
...let's provide some support!

Accelerating cities' transition to net zero emissions by 2030
