

Support services for EU Smart Communities

Empowering European communities in their digital journey, by providing resources, training, and collaboration opportunities

Inês Ramos | Director, Deloitte Belgium and Project Lead

The value for cities and communities

- 1** Cities and communities in the initial stages of their digital transformation **express their interest in joining the project and access the DIGITAL TOOLBOX**
- 2** Cities and communities **assess the starting point** of core IT infrastructure capabilities and receive a **roadmap** towards a local digital platform and LDT
- 3** Scale your enabling digital infrastructure with procurement guidance and **MIM-compliant procurement templates**

Online Procurement
Helpdesk Facility
"DIGITAL TOOLBOX"

Digitalisation Roadmap
tailored to your technical maturity level

Procurement objects related to your
digital transformation journey

Procurement support
based on EU standards for interoperability

MIMs conformance testing of algorithms,
datasets; **certification schemes** to
prove/ensure interoperable solutions

Express your interest:
